### Edmonds Library Exhibit Space

650 Main Street

Located in the southeast corner of the library, this public space features two slatted hanging walls with fixed lighting for two

# EXHIBIT PROGRAM INFORMATION

---

The goal of the Edmonds Arts Commission art exhibit program is to provide a forum where the public can develop an awareness, appreciation, and understanding of the visual arts through the exhibition of quality art works. The objectives to meet this goal are:

- To provide space to display artwork, and an annual program of rotating exhibits featuring artwork by local and regionally-based emerging and professional artists and artist groups
- To exhibit select pieces from the City of Edmonds Portable Collection, the Sister City Hekinian Collection, and other special juried shows

Established 1975, the Edmonds Arts Commission, as part of the City of Edmonds Parks, Recreation & Cultural Services Department, exists to ensure the arts are an integral part of our community's quality of life, economic vitality, and central identity.
